- ✓ Periodic / Seasonal Reviews
- ✓ Landscape Improvements and Design
- ✓ Consultancy & Customised Landscape Projects

Delivering a safe and environmentally responsible service to our customers

W39 Services has worked in tandem with our committee and residents. We greatly appreciate the garden innovations such as the allotments. W39's extended services such as internal cleaning, signage installation, bike racks, planting advice and painting have given us peace of mind and a job well done. We couldn't recommend them enough!

### Meet Stephen Our Garden Manager

#### **Skills & Qualifications**

- ✓ Higher National Diploma in Amenity Horticulture.
- ✓ Twenty years' experience in designing and maintaining gardens across the greater Dublin area.
- ✓ Expert in specimen plant landscaping.

Stephen's education, training and experience is the cornerstone of our gardening services. His horticultural training was undertaken in the National Botanic Gardens. He has worked at Mount Falcon Castle Ballina, Miller's House Killala and has also designed two gardens for RTE's Garden Heaven (early 2000s). He ran his own landscaping company for over five years, completing a variety of design and build projects, alongside a number of commercial garden maintenance projects. Stephen was also involved in the Great Gardens of Ireland Restoration at Marlay Park Walled Gardens. Stephen has been with W39 since 2013.

When contacted, W39 responded immediately to our commercial and residential design and build projects. Stephen's proposal options were practical and solution driven, his suggestions were relevant to our needs and the team were professional to deal with. We will look to use Stephen and his team for our landscape requirements and maintenance in the future.
